## NOTES TO COVER OPTIONS

1.

**a. Accidental Damage, Vandalism and Malicious Damage Cover (Own & Customers Vehicles ) (Section 2 – Own Vehicles)**

Only applies to those Policyholder's with Comprehensive cover. Section 2 (a) will be shown as operative in the Schedule.

Any American or Canadian manufactured vehicles will be restricted to Third Party Only, as will motorcycles and any attached trailer or any vehicle being towed. These can be more specifically insured. Please ask your broker or agent for details.

Any vehicle held in trust for sale will be subject to a 25% co-insurance clause. Please see the Policy wording for further details

**b. Legal Liability for Customers Vehicles (Section 3)**

For those business's handling customer vehicles, we provide the option to cover the Policyholder for legal liability at common law for customer's vehicles in their custody or control. Only applies to those Policyholders where Section 3 is shown as operative in the Schedule.

Under this section, we will defend any action where we believe the Policyholder was not liable and where it is economic for us to do so. After all, why should the Policyholder lose no claims discount for an incident for which the Policyholder is not legally liable and for which the Policyholder has not accepted responsibility?

Excludes liability assumed under contract unless such liability would attach in the absence of such contract.

The Limit of Indemnity applicable Section 3 will be shown in the Policy or the Schedule

Section 3 coverage

Cover options for Legal Liability	Comprehensive	Fire & Theft
Accidental Damage	✓	✗
Fire & Theft cover	✓	✓
Vandalism and malicious damage	✓	✗
Loss of use of customer vehicle	✓	✗
Customers expenses	✓	✗

Any American or Canadian manufactured vehicles will be restricted to Third Party Only, as will motorcycles and any attached trailer or any vehicle being towed. These can be more specifically insured. Please ask your broker or agent for details.

The Limit of Indemnity under Section 2 and Section 3 apply individually to each section but the aggregate limit of any claim cannot exceed the higher of the two limits. That is to say a total claim, regardless of the number of vehicles involved and regardless whether they are covered under Section 2 or Section 3 cannot exceed the higher of the two limits. In most cases this is satisfactory, however, if additional cover is required for vehicles whilst parked, garaged or stored, we can usually arrange this additional cover upon payment of an additional premium.

**PLEASE NOTE:** Section 3 is not suitable for Policyholders who require accidental damage insurance cover on all customer vehicles regardless of whether the Policyholder is liable at law for the vehicle at the time of the loss or not. If full accidental damage insurance cover is required, then the customer vehicles indemnity should be included under Section 2 and the appropriate additional premium paid.

**2. Theft, Attempted Theft and Fire**

Only applies to those Policyholder's with Comprehensive or Third Party Fire and Theft cover. Section 2 (b & c) will be shown as operative in the Schedule.
